

STANLEY SNOWCHARGERS NEWS LETTER

Next snowmobile meeting

April 1st.

@ MARTINO'S RESTAURANT @7:30

GREETINGS

Not too good of a riding season in Chippewa county, never got open one day.

It is very important now more than ever to get trail work on worksheets so we can get our funding from the maintenance contract.

So if you have done anything or going to do anything get it to Dennis Johnson immediately.

Or if we are in need of any posts, gates or signs let us know so we can submit that.

Otherwise get out and get the gates closed and signs picked up and cross your fingers for a better year next year.

I'm currently emailing about half of the newsletters if you have an email

I would like to have anyone that has an email address to email my address dwestaby@summitadjusting.net so we can email out news letters to save the club some money on postage.

Don't forget about the open house at the groomer shed April 18th. Starting at 11:00 get the word out.

Also check out the website, the address is

www.stanleysnochargers.com If you have something you would like me to change or add bring those ideas to the meeting.
