

STANLEY SNOWCHARGERS NEWS LETTER

Next snowmobile meeting
WED.feb. 1st..
@ MARTINO'S RESTAURANT @7:30

GREETINGS

We had a good run for a while but as you all know the rain killed our trails. If there is anything you can do to work on the trails let's get it handled now. One thing I need a volunteer to do is put new maps at our intersections; I will bring the maps to the meeting. Also if you can get out and do some brushing that always needs to be done and it gives you an opportunity to get out on the trail.

Other than that if you could come to the meeting and bring whatever you think is important to you and we can discuss.also if you do any trail work get it on a worksheet

Also check out the website, the address is
